

Commitment to Child Safety

Statement of Commitment

Kindy Korner Children Services is committed to the safety and well-being of children and, as such, is committed to creating and maintaining a child safe organisation.

We have zero tolerance of child abuse and are committed to actively contributing to a child safe service where children are protected from abuse.

Our commitment to the safety of children is based on our duty of care and responsibilities to children and always acting in the best interests of children.

Our commitment will be enacted through the implementation and monitoring of the Child Safe Standards.

Our Commitment to Children

We are committed to ensuring children feel safe, empowered and are listened to if they raise concerns in relation to their safety and well-being.

We value and support diversity, inclusion and equality. In acknowledgment of the particular vulnerabilities of these groups of children, and in accordance with the Child Safe Standards, we particularly support:

- the cultural safety of Indigenous Australian children and children from culturally and linguistically diverse backgrounds
- the participation and empowerment of children with a disability, Indigenous Australian children, children from culturally and linguistically diverse backgrounds and children who identify with the LGBTIQ community.
